SERVICIOS

- Corte a la medida que se precise.
- Transporte y logística (sólo Vitoria).
- Orientación técnica.
- Atención al cliente.

Aceros Serrada, su centro de servicios con toda confianza. Ofrecemos a nuestros clientes soluciones a medida con productos de máxima calidad.

No duden en consultar nuestros servicios de corte a medida para grandes series, tanto para piezas según plano como piezas rectas.

La agilidad en la respuesta de Aceros Serrada se basa en la rapidez con la que somos capaces de introducir el material solicitado en máquina. Nos comprometemos a cortar al momento.

Para los que aún no han contactado con nosotros les invitamos a hacerlo esperando de esta manera poder entablar futuras relaciones de trabajo.
